

WEBSITE ANNOUNCEMENT – COVID-19 update 5th January 2021

Dear valued client

On behalf of all staff at GPC, I would first of all like to wish you and your family well as we enter another lockdown period.

Following the Government's announcement on the 4th January 2021, GPC have closed our Croydon office with all staff working from home.

Our services to you

Any work undertaken by GPC will continue to be carried out in the timely and efficient manner you expect from us during this time. This is because:

- We have ensured that all our advisers and staff are well equipped to work from home
- Each internal department will be holding regular conference calls to discuss any work in progress and client support

If you need to contact us by phone the main switchboard is covered between the hours of 9am and 5pm. If we are unable to deal with your query immediately we may need to pass the details on to another colleague who is working at home and ask them to return your call. We are also contactable at contact@goddardperry.com.

To adhere to the Government guidelines we are unable to offer face to face meetings, however, our consultants are available on their mobiles or by video conferencing if this is preferred.

May we take this opportunity for thanking you for your continued support during these challenging times.

Best regards
