## GODDARD PERRY ANNOUNCES ACQUISITION OF EB BOOK FROM GOODMAN PARTNERSHIP LLP

Goddard Perry has acquired the Employee Benefit Division of the Goodman Partnership LLP for an undisclosed sum.

Steve Goddard, MD of Goddard Perry said “we are delighted with this acquisition and we very much look forward to working with the team at the Goodman Partnership LLP over the coming months to ensure a smooth transition of all Corporate clients to Goddard Perry”. He added “Our expansion plans to grow via acquisition continue and we were attracted to this book due to the high level of professionalism at Goodman and the strong relationships they have built up with their clients over the years; this was a good fit.”

Andy Kirk representing Goodman Partnership LLP said “We have enjoyed working closely with our employee benefits clients, some for more than 20 years. So, it was important for The Goodman Partnership to find a firm who could ensure that these strong relationships are maintained in the future. We were very pleased that Goddard Perry were keen to take responsibility for looking after our corporate clients in the future because it became clear to us at an early stage that they have a similar, professional approach and are fully committed to employee benefit work”.

The Employee Benefit Division brings c30 Corporate schemes to Goddard Perry who will absorb this business into the existing EB team at Goddard Perry.
